Dear Mr Haight,

I would like to express my support to appoint Dr. Roland Maw as Alaska's new Fish and Game Commissioner.

Dr. Maw is a well balanced educated man with the knowledge, experience and expertise to excel at this position. I have no doubt that he will be fair to all user groups and make decisions based on what is best for Alaska's resources.

Please consider Roland Maw as our next Fish and Game Commissioner.

Thank you,

Kurt Weichhand
