SOUTHEAST ALASKA COMMERCIAL GEODUCK FISHERY ANNOUNCEMENT

There will be no geoduck fishery this week.

Due to sampling logistics and market conditions the Southeast Alaska Regional Dive Fisheries Association (SARDFA) voted to suspend paralytic shellfish poison (PSP) sampling for this week. Information regarding the next possible live geoduck fishery, on December 7, 2022, will be announced before that date. Contact SARDFA at (907) 225-2853, for further information.
